

Camp Brittney Update

Volume 3, Issue 2

May 2007

Brittney Strom

Dear Friends,

It seems so long since I have written. Dayna and I have been so busy with everyday life. It seems like we meet ourselves in the road at times,

especially with active teenagers. I recently had the privilege to lead two special groups to Costa Rica. The first group went over in February from McCormick First Baptist, the Strom's home church. We were the first to break ground on the mission house. It was a special time for me knowing that this group was the first to start construction and to be able to introduce them to our mission. We bent enough rebar **BY HAND** to hold up the Empire State Building!

The second group went just two weeks after the first group and was from Mt. Pleasant Baptist Church in Ridge Spring, SC. This was another great group that I enjoyed so much. We covered up the nice rebar work the previous group left. We mixed and poured enough concrete **BY HAND** that week to fill up half of Lake Murray!

To be honest, it was a very challenging and tiring time for me! As great as both groups were, it was too much in too short of time. The changing of the climates, not sleeping, and the time change just wore me out. I spent two months and six different medicines trying to get over pneumonia. But it was worth it!

We appreciate your support and prayers for Camp Brittney. This ministry is touching more lives than you could ever imagine. If you have never been, it is almost impossible to comprehend what's going on in Costa Rica. Almost two hundred souls have been saved because of the ministry of Camp Brittney this year alone! Just think... if you have given one dollar or offered up one prayer you are a part of the ministry and you have impacted someone's life.

However, we still need your help. We are still short of the funds needed to finish the mission house. We still need monthly support for our ministry team. We still need teams to go and experience what God is doing in Costa Rica! I am grateful for friends like you who have been a part of this ministry. I look forward to seeing what God has in store next!

In His Glory,

Kenneth Bledsoe
